On behalf of the Carleton Heights and Area Residents Association, I want to thank you for your hard work - building and maintaining our local rink.

You gave generously of your time especially in such cold weather. I truly appreciate your efforts in getting up early and staying late - all for the benefit of our community. It was also great to see not only adults working but children and students as well helped to scrape, shovel and flood.

Once again this year, the Carleton Heights' rink was one of the better ones in the city. This comment came from a city councillor who had visited a few.

Congratulations!

Sincerely,

Yvele Paquette,
President
Carleton Heights and Area Residents Association (CHARA)
