JUNE 23, 2020

TO: RILEY BROCKINGTON, COUNCILLOR, RIVER WARD, CITY OF OTTAWA

FROM: DARREN DICKS, PRESIDENT, CHARA

SUBJECT: Cannabis Retail Store 888 Meadowlands Drive East, Ottawa, On.

The Board of Directors at their, June 23, 2020 meeting pasted the following Resolution/Motion.
L. Neville Moved, Seconded by Y. Paquette:

THAT THE CARETON HEIGHTS AND AREA RESIDENTS ASSOCIATION is opposed to a Cannabis Retail Store being authorized at the property of 888 Meadowlands Drive East, Ottawa, ON. Based on the grounds it is not in the "Public Interest" in that it is in close proximity to the Boys and Girls Community Centre on Prince of Wales at Meadowlands, and the Public Park at Hogs Back Rideau Canal Locks and Rideau Canoe Club and your close neighbourhood/community in this area."

Resolution/Motion: Carried unanimously.

We as a community association feel that such a store in this location would create undue influence on children, minors and those in the vulnerable sector, and as such we opposed have such a store in this location. On our behalf, would you please pass this Resolution/Motion on to the Registrar, Alcohol and Gaming Commission of Ontario AGCO License File 861233

Your co-operation in this matter would be appreciated. Thank you in advance for your assistance.

On behalf of CHARA,

Darren Dicks
